When I get asked to describe the work I do, I keep on thinking. I do what makes you think. The prototype that makes you win. The design that makes you wow... Hey. I'm Ramon. It's nice to have you here. It's a pleasure to meet you_

You have to know that being in the US is my dream. And I'm going to work as hard as I can to fulfill that dream. You now have this resumé, and that means that you are part of that dream. And everything we'll accomplish together, will be amazing_

Behind this mask there is more than just flesh.

Beneath this mask there is a dream.
